SUMMARY

A junior front end developer, recently finished full stack bootcamp program.

Looking for an opportunity that enables me to fulfill my dream of becoming a programmer, passionate for learning new things, and easily adapt to new work

WORK EXPERIENCE

February -April 2022 **Intern Full Stack developer**, Joonko, Tel – Aviv.

Joonko's technology plugs directly into a business ATS to improve workplaces across the United States by Providing HR teams with qualified talent from diverse and underrepresented backgrounds.
- Develop pages in the company's website that convert pdf files (case-studies) and turn them into Live content.
- Technologies used: Bit Bucket and WebStorm as hosting environments besides Sass and react in our code.

March 2011 – January 2021 **Sales and Customer Service, in addition to Assistant manager** Bug Multi-system, Herzliya.
- Technical support – analyzing & explaining proper product use to customers.
- Tutoring onboarding new staff.

EDUCATION

Full Stack Developer Bootcamp — Appleseed's Academy Aug 2021 -Today
- An intensive 6-months, 720 hours training program that encourages self-led learning as well as group projects that simulate real-world development teams.
- Learning & applying front end skills such as HTML, CSS, JAVASCRIPT, REACT, back & end skills such as Node.js & MongoDB database.
- **Mid-Course Project**
- **Final-Course Project**

During this bootcamp period I got a chance for hands-on creating numerous projects of customized ideas, this helped

me creatively deal with challenges and learn to solve them or find different solutions to coding bugs and errors.

For instance, my **Mid-Course Project** was about an online banking service. In this project I got to learn and work with CSS styled components that wasn't included in the bootcamp curriculum.

However, in my **Final-Course Project** was created for something more personal, this journaling e-commerce site, dedicated for people who are looking for unique journals for tracking habits, setting goals, manifesting, practicing gratitude.
